If the Commission discovers that a person or persons submitting a bid is interested, in any manner, in any other bid for the same piece of work, both bids shall be deemed nonconforming and shall be immediately rejected. The Commission also reserves the right to reject a bidder based upon a prior negative experience or upon any other grounds permitted by law.

In the event no notices, revisions, or addenda to the bid advertisement, Technical Specifications, or bid documents are received by the bidder, the bidder shall indicate ***“none”*** on that form, which must still be completed, acknowledged, signed and submitted with its bid.

Affirmative Action:

Bidders are required to comply with the requirements of N.J.S.A. 10:5-31 et seq. (P.L. 1975, c.127) and N.J.A.C. 17:27-1.1 et seq. Construction Contracts.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the Commission's compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the Commission's compliance officer.

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all

CONTRACT #2093

INFORMATION FOR BIDDERS

qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2.

The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

CONTRACT #2093

INFORMATION FOR BIDDERS

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

- (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
- (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
- (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
- (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
- (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
- (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contractor or subcontractor shall interview the referred minority or women worker. If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(ii) The name of any interested women or minority individual shall

be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iii) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

COVENANTS: WITNESSETH, that the parties to these presents each in consideration of the undertakings, promises and agreements on the part of the other herein contained, have undertaken, promised and agreed, and do hereby undertake, promise and agree, the party of the first part for itself, its successors and assigns, and the party of the second part for heirs, executors and administrators, or successors and assigns, as follows:

PRICE FOR WORK:

In consideration of the mutual agreements contained herein, Contractor hereby agrees to sell and deliver to the Commission and the Commission agrees to purchase and receive from Contractor **SODIUM HYPOCHLORITE**, as required, as follows

FOR FURNISHING AND DELIVERING APPROXIMATELY 2,000,000 GALLONS, MORE OR LESS, OF SODIUM HYPOCHLORITE, as shown in the Technical Specifications attached to this bid, delivered in bulk tankwagons to the Commission's Wanaque Water Treatment Plant or Original Treatment Plant, as determined by the Commission, located in the Borough of Wanaque, Passaic County, New Jersey, within three (3) days after notification, as required during the combined calendar years 2023 & 2024,

the price of _____
dollars and _____ cents (\$_____)
per gallon, as specified.

NOTE: The price shall be printed in ink both words and figures. Any bid which fails to name a price both in words and in figures per unit and every item, wherein quantities are given, may be held to be non-responsive and may be rejected. In case of any discrepancy or conflict, the price written in words will take precedence over the written in figures.

Quantity: The quantity stated herein is the best estimate available; however, it is approximate and the actual needs may vary. The Commission, therefore, reserves the right to purchase the quantity it requires which may be more or less than the estimate. The Commission shall also have the right not to purchase any **SODIUM HYPOCHLORITE**. The unit prices quoted in the bid shall not change with the total quantity ordered during the term

What the Price is to Cover: The price is to include and cover the furnishing and delivering of **SODIUM HYPOCHLORITE** called for by the Contract and Specifications, cost of bond(s) required, and all other expenditures incidental or necessary to the faithful performance of the Contract. The Contractor shall supply said **SODIUM HYPOCHLORITE** to the total satisfaction of the Commission at a price agreed upon and fixed by the terms of the Contract.

The Commission reserves the right to order partial deliveries throughout the Contract period at the same contracted price as a full delivery. It is the Commission's intent to order only full deliveries; however, there may be times that full orders cannot be accommodated, especially for chemicals being delivered to sites other than the Wanaque Water Treatment Plant (WTP). Partial deliveries will generally account for less than five (5) percent of all order placed by the Commission for WTP deliveries and generally less than ten (10) percent for deliveries to other locations. Bid submitted with separate pricing for partial deliveries will be rejected.

Delivery: The **SODIUM HYPCHLORITE** shall be delivered in dedicated bulk tankwagons to the Commission's Wanaque Water Treatment Plant or Original Treatment Plant, located in the Borough of Wanaque, Passaic County, New Jersey. All delivery costs are to be paid for by the Contractor.

The vendor shall provide the proper trucks, lines, fittings, pumps, pneumatic systems, couplings, hoses, tools and safety equipment to accommodate the Commission's delivery systems and to eliminate any interruption in the chemical unloading process.

It is hereby agreed that the **SODIUM HYPOCHLORITE** shall be delivered within three (3) days after notification by the **NORTH JERSEY DISTRICT WATER SUPPLY COMMISSION** to any of the above three (3) Commission owned sites.

The SODIUM HYPOCHLORITE shall be delivered only on weekdays between 7:00 a.m. and 3:00 p.m.as scheduled with the Commission. NO delivery will be accepted on a Saturday, Sunday or holiday, or beyond the hours stated unless prior approved by the Commission. Contractor must provide a complete certificate of analysis for each shipment.

Contract Term: The initial term anticipated for this Contract is two (2) years. However, the Commission reserves the right to renew the Agreement, at its sole discretion, for up to two (2) consecutive, one (1) year terms, under the same conditions of the original Contract.

B. If the hiring or scheduling of a workforce consistent with the employment goal has not or cannot be achieved for each construction trade by adhering to the procedures of (A) above, or if the Contractor does not have a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor agrees to take the following actions consistent with the applicable county employment goals;

5. If it is necessary to lay off some of the workers in a given trade on the construction site, to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and women employees remain on the site consistent with the employment goal; and to employ any minority and women workers so laid off by the Contractor on any other construction site on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing N.J.S.A. 10:5-31 et seq.;

6. To adhere to the following procedure when minority and women workers apply or are referred to the Contractor or subcontractor;

i. If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the Contractor or subcontractor shall determine the qualifications of such individuals and if the Contractor's or subcontractor's workforce in each construction trade is not consistent with the applicable, employment goal, it shall hire or

However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the county employment goal, the Contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the Contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the Contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

The Commission utilizes **SODIUM HYPOCHLORITE SOLUTION** at various times of the year to be used as the primary disinfectant at our plant influent and effluent chlorinating stations. The amount required will depend on the operational needs of the plant and remote stations.

QUANTITY:

The Commission proposes to purchase **2,000,000 GALLONS, MORE OR LESS, OF SODIUM HYPOCHLORITE**, as specified. The quantity stated herein is the best estimate available; however, it is approximate and the actual needs may vary. The unit prices quoted in the bid shall not change with the total quantity ordered during the term of the contract.

SPECIFICATIONS:

The **SODIUM HYPOCHLORITE SOLUTION** shall contain no soluble mineral or organic substances in quantities capable of producing deleterious or injurious effects on the health of persons consuming water that has been treated properly with **SODIUM HYPOCHLORITE SOLUTION**.

The Vendor shall submit with the bid package, an analysis of the 15% Sodium Hypochlorite solution for Iron. This level shall not exceed 0.30 mg/L. This is requested due to the corrosivity of the iron on the Sodium Hypochlorite storage tanks.

The **SODIUM HYPOCHLORITE SOLUTION** shall not contain excessive amounts of bromate, chlorate and chlorite ions in either the delivered chemical and/or in the finished water product. The amounts cannot exceed the standards set under the USEPA Disinfection/Disinfection By-Product Rule.

The **SODIUM HYPOCHLORITE SOLUTION** (NaOCL) supplied under this contract shall be of standard grade and shall contain a minimum of 15 percent available chlorine, and the total free alkali (as NaOH) shall not exceed 1.5 percent by weight.

DELIVERY AND STORAGE:

A certificate of analysis must accompany every delivery. The certificate of analysis must include the following parameters at a minimum:

Available Chlorine by Weight (%)
Specific Gravity at 65°F

The Commission will test/verify the properties of the **SODIUM HYPOCHLORITE** to be delivered prior to acceptance of delivery. If the product does not meet the requirements of this standard or does not match the certificate of analysis, the seller shall remove the material from Commission property at the seller's sole expense. A replacement delivery must be received within twenty-four (24) hours.

All deliveries must be made in dedicated bulk tankwagons used exclusively for the shipment of **SODIUM HYPOCHLORITE SOLUTION** to maintain product integrity and purity. The vendor shall provide the proper truck, lines, fittings, pumps, pneumatic systems, couplings, hoses, tools and safety equipment to accommodate the Commission's delivery systems and to eliminate any interruption in the chemical unloading process.

In addition, the vendor shall supply a filter for the Sodium Hypochlorite solution to pass through during the offload into the Commissions site storage tanks to remove any debris or particulate that may be in the solution.

The **SODIUM HYPOCHLORITE SOLUTION** shall be delivered to the Commission's Wanaque Water Treatment Plant or Original Treatment Plant, located in the Borough of Wanaque bulk tankwagons within three (3) days after notification. Deliveries shall be made on weekdays between 7:00 a.m. and 3:00 p.m. Emergency deliveries may be required on Saturday, Sunday, holidays, or beyond the hours stated as directed by Commission staff. The vendor shall provide the proper truck, lines, fittings, pumps, pneumatic systems, couplings, hoses, tools and safety equipment to accommodate the Commission's delivery systems and to eliminate any interruption in the chemical unloading process.

Chemical containment areas shall be utilized for all deliveries of hypochlorite.

The Commission reserves the right to order partial deliveries throughout this contract period at the same contracted price as a full delivery. It is the Commission's intent to order only full deliveries; however, there may be times that full orders cannot be accommodated, especially for chemicals being delivered to sites other than the Wanaque Water Treatment Plant (WTP). Partial deliveries will generally account for less than five

(5) percent of all orders placed by the Commission for WTP deliveries and generally less than ten (10) percent for deliveries to other locations. In addition, the Commission reserves the right to order multiple stops for full deliveries. Bids submitted with separate pricing for partial deliveries will be rejected.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Chapter 51 Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first use NJSTART (<https://www.njstart.gov/bso/>) to check the status of a vendor’s Chapter 51 certification before contacting the Review Unit’s mailbox at CD134@treas.nj.gov. If the State Agency does not find any Chapter 51 Certification information in NJSTART and/or the vendor is not registered in NJSTART, then the State Agency should send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

8. In the event that the Receiving Party receives a request to disclose all or any part of the Information as part of a governmental investigation or under the terms of a subpoena or order issued by a court or governmental body, the Receiving Party will take all reasonable steps to notify the Commission promptly in writing of such request in order to allow the Commission an opportunity to resist or narrow such request and will reasonably cooperate, at the Commission's expense, with the Commission and its representatives in connection with the Commission's efforts to resist or narrow such request. In the event that the Commission elects to waive the provisions of this Section 8 or is otherwise unsuccessful in resisting such request, the Receiving Party shall only disclose the Information that it determines it is legally required to disclose after consultation with competent counsel.
9. Except as required by applicable law or court or arbitral order, neither party shall in any way or in any form disclose (except as necessary to such party's outside legal counsel, actuaries and accountants), publicize or advertise in any manner the discussions or negotiations concerning the business purpose underlying this Agreement, or the status of any such discussions or negotiations without the consent of the other party.
10. This Agreement shall be deemed to be a contract made under the laws of the State of New Jersey and for all purposes shall be construed in accordance with the laws thereof. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns. No permitted assignment shall relieve a party of its obligations hereunder with respect to Information disclosed prior to the assignment. Nothing in this Agreement shall prohibit or interfere with the ability of counsel for any party to represent any individual, corporation, or other entity adverse to any party or its affiliate(s) in connection with any other matters.
16. Each of the parties acknowledges and agrees that remedies at law may be inadequate to protect the Commission against any actual or threatened breach of this Agreement by the Receiving Party or its representatives, and, without prejudice to any other rights and remedies otherwise available to the Commission (including, without limitation, monetary damages), the Receiving Party agrees to the granting of specific performance and injunctive or other equitable relief in the Commission's favor without proof of actual damages and each of the parties further agrees to waive, and to use all reasonable efforts to cause its representatives to waive, any requirement for the securing or posting of any bond in connection with any such remedy. Nothing in this Agreement shall be deemed or construed to limit or prevent the Commission from bringing a claim for damages as a result of any actual or threatened breach of this Agreement by the Receiving Party or its representatives.
17. Each of the parties agrees that no failure or delay by the Commission in exercising any right or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise of any right or remedy hereunder.
