CONTRACT #2112

INFORMATION FOR BIDDERS

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2.

The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

CONTRACT #2112

- (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
- (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

 - (i) The contractor or subcontractor shall interview the referred minority or women worker. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. Disabled Veteran-Owned Business Set-Aside

In accordance with the New Jersey Set-Aside Act for Disabled Veterans' Businesses, N.J.S.A. 52:32-31.1 et seq. (P.L. 2015, c. 116), it is the policy of the Commission that Disabled Veteran-Owned Businesses (“**DVOBs**”), as determined and defined by the State of New Jersey, Department of Treasury, Division of Revenue and Enterprise Services in N.J.A.C. 17:14-1.1 et seq. (the “**Division**”), have the opportunity to compete for and participate in the performance of contracts and subcontracts for construction services. The Commission further requires that its Contractors shall agree to take all necessary and responsible steps, in accordance with the aforementioned regulations, to ensure that DVOBs have these opportunities. The Contractor is encouraged to obtain a complete copy of the applicable regulations (N.J.A.C. 17:14-1.1 et seq.) prior to submitting bids to the Commission.

The Contractor agrees to make a good faith effort to award at least 3% of this Contract to Subcontractors registered by the Division as a DVOB firm. Subcontracting goals do not apply if the prime Contractor is a registered DVOB firm.

The following actions shall be taken by a bidder in establishing a good faith effort to solicit and award subcontracts to eligible disabled veteran-owned businesses, as established in the RFP:

- 1) The bidder shall attempt to locate qualified potential disabled veteran-owned business subcontractors;
- 2) The bidder shall consult the disabled veteran business database if none are known to the bidder;

CONTRACT #2112

The Commission requires that DVOB Forms A, B, C, D, and F as applicable, be submitted within seven (7) days after Notice of Award. However, the Commission may extend the deadline for this requirement at its sole discretion.

If the Contractor submits the DVOB forms within the requested timeframe, but fails to meet the DVOB goal, a fully completed and notarized DVOB Form D must be submitted, and the Commission will evaluate the efforts made by the Contractor to determine whether a demonstration of good faith efforts has been made.

The listing of a DVOB firm by a Contractor on Form A shall constitute a representation by the Contractor to the Commission that such DVOB firm is qualified and available, and a commitment by the Contractor that it will enter into a subcontract with such DVOB firm for the portion of the work described in Form A and at the price set forth in its Bid. A DVOB Contractor which lists itself on Form A is committed to performing the work indicated with its own personnel.

A database of DVOBs is maintained by the State, accessible via a link on the Division's webpage at https://www20.state.nj.us/TYTR_SAVI/vendorSearch.jsp; the database lists vendors by designation, including DVOBs, and is available for use by State contracting agencies and others in confirming eligibility for set-aside contracts and subcontracts and in reporting progress toward established contract award goals. Use of this listing does not relieve the Contractor of its responsibility to seek DVOB participation from other sources.

Whenever the Commission issues Project Change Orders, the Commission may determine if increased DVOB participation will be required.

CONTRACT #2112

INFORMATION FOR BIDDERS

If at any time the Contractor believes or has reason to believe that a proposed DVOB has become unavailable or, due to change in ownership or management responsibility, does not meet the applicable standards, the Contractor shall, within 10 days, notify the Commission of that fact. Within 15 days thereafter, the Contractor shall, if necessary to achieve the stated goal, make every reasonable effort to subcontract the same or other work to other DVOB firms.

Should a DVOB become ineligible during the course of this Contract, effective as of the date of ineligibility, further contractual dollars expended with the DVOB shall not be counted toward the DVOB goal. Within 15 days after notification by the Commission to the Contractor of the ineligible DVOB, the Contractor will make every reasonable effort to satisfy the DVOB goal. The Contractor's effort to continue to meet the DVOB goal shall be coordinated with the Office of EEO.

To ensure that all obligations under subcontracts awarded to DVOBs are met, the Commission shall review the prime Contractor's DVOB involvement efforts during the performance of the contract. The Contractor shall monitor the performance of and collect and report data on DVOB participation to the **Office of EEO**. The form will be reviewed to determine Contract compliance with respect to the DVOB goal. Failure to submit this report may result in suspension of payments as provided in the section titled "Audit and Penalties" below. If, at any time, the Commission has reason to believe that any person or firm has willfully and knowingly provided incorrect information or made false statements, it shall refer the matter to the Attorney General of the State of New Jersey.

The Contractor agrees to pay each subcontractor and supplier for satisfactory performance of its subcontract no later than ten (10) days from the receipt of each payment the Contractor receives from the Commission.

In accordance with N.J.S.A. 52:32-40 and 52:32-41, the Contractor shall certify, prior to the issuance of a progress payment by the Commission, that all subcontractors and suppliers have been paid any amounts due from previous progress payments and shall be paid any amounts from the current progress payment. Alternatively, the Contractor shall certify that there exists a valid basis under the terms of the subcontract to withhold payment from the subcontractor or supplier and therefore payment is withheld.

If the Contractor withholds payment from the Subcontractor or supplier, the Contractor shall provide to the Subcontractor or supplier written notice thereof. The notice shall detail the reason for withholding payment and state the amount of payment withheld. The Contractor shall send a copy of the notice to the Surety of the Contract Bond. A copy of the notice shall also be submitted to the Commission with the certification that payments are being withheld.

CONTRACT #2112

INFORMATION FOR BIDDERS

Except as provided herein, the Contractor shall not have the work performed, or the materials or supplies furnished, by any other DVOB firm other than those named in Form A. However, the Contractor may, in unusual situations, be permitted to substitute a subcontractor(s). A request for substitution must be in writing, with complete justification for the request. The Contractor must have approval of the Commission before substitution of the DVOB subcontractor, regardless of the reason for the substitution. Failure to obtain approval from the Commission could result in the prime Contractor being found to be in "noncompliance" with the requirements of the contract. The term "unusual situations" includes, but is not limited to, a DVOB subcontractor or DVOB joint venture partner(s):

- 1) Failure to qualify as a DVOB or maintain DVOB registration status.

- 5) Inability to obtain, or loss of, a license necessary for the performance of the particular category of work.
- 6) Failure or inability to comply with a requirement of law applicable to the subcontract work.
- 7) Material failure to comply with the terms and conditions of the subcontract.
- 8) Material failure to successfully perform the subcontract tasks.

The prime Contractor is advised that failure to carry out the requirements of these specifications shall constitute a breach of contract and may result in termination of the contract by the Commission, or such remedy as the Commission deems appropriate. During the performance of the contract, and for a period of up to three (3) years following completion of the contract work, the Commission may conduct reviews for compliance with the requirements of the DVOB Program. Such reviews may include the evaluation of monthly reports, desk audits, and site visitations. Where a Prime Contractor, or any Subcontractor, is found to be in noncompliance with the requirements of the DVOB Program during the performance of the contract, it will be required to take corrective action. If corrective action is not promptly taken by the offending contractor, the following sanctions may be instituted (singularly, in any combination and in addition to any other remedies provided by law):

- 1) The Commission may withhold further payments under the Contract.
- 2) The Contract may be terminated for breach.
- 3) Suspension or debarment proceedings may be commenced in accordance with New Jersey law and the Commission regulations.
- 4) The Contract Bond may be enforced.

If the Contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with the applicable employment goal, the Contractor's or subcontractor's agrees to be prepared to hire or schedule minority and women workers directly, consistent with the applicable employment goal, by complying with the hiring or scheduling procedures prescribed under B below; and the Contractor or subcontractor further agrees to take said action if it determines or is so notified by the Division that the union is not referring minority and women workers consistent with the applicable employment goal.

B. If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the Contractor or subcontractor shall determine the qualifications of such individuals and if the Contractor's or subcontractor's workforce in each construction trade is not consistent with the applicable, employment goal, it shall hire or schedule those individuals who satisfy appropriate qualification standards. However, the Contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Division. If necessary, the Contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

ii. If the Contractor's or subcontractor's workforce is consistent with the applicable employment goal, the name of any interested women or minority individual shall be maintained on a waiting list for the first consideration, in the event the Contractor's or subcontractor's workforce is no longer consistent with the applicable employment goal.

iii. If, for any reason, said Contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the Contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Division.

iv. The Contractor or subcontractor shall interview the referred minority or women workers.

7. To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Division and submitted promptly to the Division upon request.

Also, the Contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

D. The Contractor and its subcontractors shall furnish such reports or other documents to the Division of Contract compliance & EEO as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Contract Compliance & EEO for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code at N.J.A.C. 17:27-1 et seq.

CONTRACT #2112

GENERAL CONDITIONS

Article XXX - Disabled Veteran-Owned Business Set-Aside

In accordance with the New Jersey Set-Aside Act for Disabled Veterans' Businesses, N.J.S.A. 52:32-31.1 et seq. (P.L. 2015, c. 116), it is the policy of the Commission that Disabled Veteran-Owned Businesses ("**DVOBs**"), as determined and defined by the State of New Jersey, Department of Treasury, Division of Revenue and Enterprise Services in N.J.A.C. 17:14-1.1 et seq. (the "**Division**"), have the opportunity to compete for and participate in the performance of contracts and subcontracts for construction services. The Commission further requires that its Contractors shall agree to take all necessary and responsible steps, in accordance with the aforementioned regulations, to ensure that DVOBs have these opportunities. The Contractor is encouraged to obtain a complete copy of the applicable regulations (N.J.A.C. 17:14-1.1 et seq.) prior to submitting bids to the Commission.

The Contractor agrees to make a good faith effort to award at least 3% of this Contract to Subcontractors registered by the Division as a DVOB firm. Subcontracting goals do not apply if the prime Contractor is a registered DVOB firm.

The following actions shall be taken by a bidder in establishing a good faith effort to solicit and award subcontracts to eligible disabled veteran-owned businesses, as established in the RFP:

- 5) The bidder shall attempt to locate qualified potential disabled veteran-owned business subcontractors;
- 6) The bidder shall consult the disabled veteran business database if none are known to the bidder;
- 7) The bidder shall keep a record of its efforts, including the names of businesses contacted and the means and results of such contacts, as well as documentation on any good faith efforts to solicit and award any subcontract to an eligible disabled veteran-owned business; and
- 8) The bidder shall provide all potential subcontractors with detailed information regarding the specifications.

In those circumstances where Federal law, rules, or regulations permit or require a procurement procedure other than those prescribed in this chapter, the State contracting agency shall follow the Federal procedures notwithstanding the provisions of

CONTRACT #2112

GENERAL CONDITIONS

this chapter, provided that the State contracting agency issues a written declaration that such Federal laws, rules, or regulations are in effect.

The Commission requires that DVOB Forms A, B, C, D, and F as applicable, be submitted within seven (7) days after Notice of Award. However, the Commission may extend the deadline for this requirement at its sole discretion.

If the Contractor submits the DVOB forms within the requested timeframe, but fails to meet the DVOB goal, a fully completed and notarized DVOB Form D must be submitted, and the Commission will evaluate the efforts made by the Contractor to determine whether a demonstration of good faith efforts has been made.

The listing of a DVOB firm by a Contractor on Form A shall constitute a representation by the Contractor to the Commission that such DVOB firm is qualified and available, and a commitment by the Contractor that it will enter into a subcontract with such DVOB firm for the portion of the work described in Form A and at the price set forth in its Bid. A DVOB Contractor which lists itself on Form A is committed to performing the work indicated with its own personnel.

A database of DVOBs is maintained by the State, accessible via a link on the Division's webpage at https://www20.state.nj.us/TYTR_SAVI/vendorSearch.jsp; the database lists vendors by designation, including DVOBs, and is available for use by State contracting agencies and others in confirming eligibility for set-aside contracts and subcontracts and in reporting progress toward established contract award goals. Use of this listing does not relieve the Contractor of its responsibility to seek DVOB participation from other sources.

Whenever the Commission issues Project Change Orders, the Commission may determine if increased DVOB participation will be required.

If at any time the Contractor believes or has reason to believe that a proposed DVOB has become unavailable or, due to change in ownership or management responsibility, does not meet the applicable standards, the Contractor shall, within 10 days, notify the Commission of that fact. Within 15 days thereafter, the Contractor shall, if necessary to achieve the stated goal, make every reasonable effort to subcontract the same or other work to other DVOB firms.

Should a DVOB become ineligible during the course of this Contract, effective as of

CONTRACT #2112

GENERAL CONDITIONS

the date of ineligibility, further contractual dollars expended with the DVOB shall not be counted toward the DVOB goal. Within 15 days after notification by the Commission to the Contractor of the ineligible DVOB, the Contractor will make every reasonable effort to satisfy the DVOB goal. The Contractor's effort to continue to meet the DVOB goal shall be coordinated with the Office of EEO.

To ensure that all obligations under subcontracts awarded to DVOBs are met, the Commission shall review the prime Contractor's DVOB involvement efforts during the performance of the contract. The Contractor shall monitor the performance of and collect and report data on DVOB participation to the **Office of EEO**. The form will be reviewed to determine Contract compliance with respect to the DVOB goal. Failure to submit this report may result in suspension of payments as provided in the section titled "Audit and Penalties" below. If, at any time, the Commission has reason to believe that any person or firm has willfully and knowingly provided incorrect information or made false statements, it shall refer the matter to the Attorney General of the State of New Jersey.

The Contractor agrees to pay each subcontractor and supplier for satisfactory performance of its subcontract no later than ten (10) days from the receipt of each payment the Contractor receives from the Commission.

In accordance with N.J.S.A. 52:32-40 and 52:32-41, the Contractor shall certify, prior to the issuance of a progress payment by the Commission, that all subcontractors and suppliers have been paid any amounts due from previous progress payments and shall be paid any amounts from the current progress payment. Alternatively, the Contractor shall certify that there exists a valid basis under the terms of the subcontract to withhold payment from the subcontractor or supplier and therefore payment is withheld.

If the Contractor withholds payment from the Subcontractor or supplier, the Contractor shall provide to the Subcontractor or supplier written notice thereof. The notice shall detail the reason for withholding payment and state the amount of payment withheld. The Contractor shall send a copy of the notice to the Surety of the Contract Bond. A copy of the notice shall also be submitted to the Commission with the certification that payments are being withheld.

Except as provided herein, the Contractor shall not have the work performed, or the materials or supplies furnished, by any other DVOB firm other than those named in Form A. However, the Contractor may, in unusual situations, be permitted to substitute a subcontractor(s). A request for substitution must be in writing, with complete justification for the request. The Contractor must have approval of the Commission before substitution of the DVOB subcontractor, regardless of the reason for the substitution. Failure to obtain

CONTRACT #2112

GENERAL CONDITIONS

approval from the Commission could result in the prime Contractor being found to be in “noncompliance” with the requirements of the contract. The term “unusual situations” includes, but is not limited to, a DVOB subcontractor or DVOB joint venture partner(s):

- 9) Failure to qualify as a DVOB or maintain DVOB registration status.
- 10) Death or physical disability, if the named subcontractor or DVOB partner of the joint venture is an individual.
- 11) Dissolution, if a corporation or partnership.
- 12) Bankruptcy of the subcontractor, subject to applicable bankruptcy laws, and only in instances where the bankruptcy affects the subcontractor’s ability to perform.
- 13) Inability to obtain, or loss of, a license necessary for the performance of the particular category of work.
- 14) Failure or inability to comply with a requirement of law applicable to the subcontract work.
- 15) Material failure to comply with the terms and conditions of the subcontract.
- 16) Material failure to successfully perform the subcontract tasks.

The prime Contractor is advised that failure to carry out the requirements of these specifications shall constitute a breach of contract and may result in termination of the contract by the Commission, or such remedy as the Commission deems appropriate. During the performance of the contract, and for a period of up to three (3) years following completion of the contract work, the Commission may conduct reviews for compliance with the requirements of the DVOB Program. Such reviews may include the evaluation of monthly reports, desk audits, and site visitations. Where a Prime Contractor, or any Subcontractor, is found to be in noncompliance with the requirements of the DVOB Program during the performance of the contract, it will be required to take corrective action. If corrective action is not promptly taken by the offending contractor, the following sanctions may be instituted (singularly, in any combination and in addition to any other remedies provided by law):

- 5) The Commission may withhold further payments under the Contract.
- 6) The Contract may be terminated for breach.
- 7) Suspension or debarment proceedings may be commenced in accordance with New Jersey law and the Commission regulations.
- 8) The Contract Bond may be enforced.

Copies of the following forms are located on the Commission website:

(g) Commission Form A: DVOB Participation Schedule:
