INTRODUCTION AND GENERAL INFORMATION

1.1. **Introduction and Purpose.**

The Commission is organized and exists under and pursuant to N.J.S.A. 58:5-1 et seq., and is a public body politic and corporate formed by its member municipalities and authorized to acquire, develop and operate a water supply system for use by any municipality in the Counties of Sussex, Warren, Hunterdon, Passaic, Morris, Monmouth, Somerset, Bergen, Hudson, Essex, Union and Middlesex (the "District"). Pursuant to its enabling legislation, the Commission is authorized to finance, construct and place into operation, and operate and use facilities deemed necessary for and incidental to the treatment, filtration, transmission and distribution of potable water for the benefit of municipalities within the District. The Commission presently contracts with municipalities, regional municipal purveyors, and publicly and privately-owned utilities. It is operated on a non-profit basis and funded through the municipalities and utilities that are contract participants of the Commission.

Through its Wanaque North and South projects, the Commission provides potable water to numerous contracting municipalities. In addition, the Wanaque South Project includes a joint venture between the Commission and Suez Water – New Jersey.

The Commission is soliciting Proposals for work associated with **Professional Land Surveying Services for Commission-owned Dams** as referenced in **Section 2, Scope of Services**. Through the procurement process initiated by this RFP, firms interested in assisting the Commission with the provision of such Services must prepare and submit a Proposal in accordance with the procedure and schedule established in this RFP. The Commission will review Proposals only from those firms that submit a Proposal that includes all of the information required to be submitted as described herein (in the sole judgment of the Commission).

1.2. **Procurement Process and Schedule.**

The Commission has structured a competitive process in order to ensure that each firm is provided an equal opportunity to submit a Proposal in response to the RFP. Proposals will be evaluated in accordance with the criteria set forth in Section 5 of this RFP, which will be applied in the same manner to each Proposal received.

Respondents, as part of this procurement process, and if selected, must at all times abide by all requirements of New Jersey law, and all relevant Executive Orders.

SECTION 1

Proposals will be reviewed and evaluated by a Commission-established "Evaluation Committee" to determine if each Respondent has met the required professional and administrative requirements set forth in this RFP. Under no circumstances will a member of the Evaluation Committee review responses to an RFP for services for which they or their firm submitted a response hereunder. Based upon the totality of the information contained in the Proposal, including information about the reputation and experience of each Respondent, the Commission will, in its sole judgment, determine which Respondents are qualified from professional, administrative, and financial standpoints. Each Respondent who meets the requirements of the RFP, in the sole judgment of the Commission, will be designated as a Qualified Respondent and, from that pool of Qualified Respondents the Commission will then choose the Selected Respondent.

The procurement process commences with the issuance of this RFP. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Anticipated Procurement Schedule. The Commission reserves the right to amend, modify, or alter the Procurement Schedule upon notice to all potential Respondents.

All Respondents shall be required to execute a Confidentiality & Non- Disclosure Agreement ("NDA") with the Commission for all information utilized and generated as part of this Contract. The NDA must be executed and returned to the Commission prior to the distribution of any and all documentation, drawings, models, etc., required for the preparation of a Proposal in response to this RFP. a. Definitions. For the purposes of this Section, the following shall be defined as follows:

SECTION 1

(i) Contribution – means a contribution reportable as a recipient under “The New Jersey Campaign Contributions and Expenditures Reporting Act” N.J.S.A. 19:44A-1 et seq., and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. SECTION 1

holder of the public office of Governor, or to any State or county political party committee: (1) within the eighteen months immediately preceding the commencement of negotiations for the contract or agreement; (2) during the term of office of a Governor, in the case of contributions to a candidate committee or election fund of the holder of that office, or to any State or county political party committee of a political party nominating such Governor in the last gubernatorial election preceding the commencement of such term; or (3) within the eighteen months immediately preceding the last day of the term of office of Governor, in which case such prohibition shall continue through the end of the next immediately following term of the office of Governor, in the case of contributions to a candidate committee or election fund of the holder of that office, or to any State or county political party committee of a political party nominating such Governor in the last gubernatorial election preceding the commencement of the latter term. (iii) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the Contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions are available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.shtml> and shall be provided to the intended awardee with the Notice of Intent to Award.

The Commission shall ensure that the disclosures submitted pursuant to this Section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the Contract, by the Contractor are reviewed by the appropriate authorities. If it is determined that any contribution or action by the Contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the Commission shall disqualify the Contractor from award of such contract.

The dams include Green Swamp Dams No. 1, 2, 2a, 3, 4, Wolf Den Dam, Midvale Dam, Furnace Dam, Raymond Dam and the associated Overflow Weir, and Monksville Dam.

- Originally, there were 57 surveying monuments on or adjacent to 10 Commission owned dams. Several of the monuments have been destroyed or cannot be found and need to be reestablished and surveyed. All existing monuments are to be re-surveyed and marked. All missing monuments shall be located and/or re-installed and compared to the 2016 survey data. The 2016 data included for each monument list the following parameters:

TASK 2: Update monuments on one (1) Wanaque Dam.

Reservoir

- The Commission would like to update monuments atop the concrete core wall extensions of Green Swamp Dam No. 3. A monument should be established at either end of the core wall and should correspond with stationing as shown on the Record Drawings for the dam.

TASK 3: Establish stations on Wanaque Reservoir dams.

- Review existing Record Drawings of the dams. From these drawings establish stationing every 100 feet along any of the dams that do not currently have stationing. This can be done in conjunction with the new monuments on the core wall extension as mentioned in Task 2. This would be for Green Swamp Dam No. 3, and other dams not specifically mentioned that may need updating. This can be a "PK" installed in the top of the core wall extension or on the upstream masonry wall of Raymond Dam.

TASK 4: Preparation of drawings for ten (10) Wanaque Reservoir dams and Monksville Dam including plans with topography as well as a typical cross-section.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Chapter 51 Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first use NJSTART (<https://www.njstart.gov/bso/>) to check the status of a vendor’s Chapter 51 certification before contacting the Review Unit’s mailbox at CD134@treas.nj.gov. If the State Agency does not find any Chapter 51 Certification information in NJSTART and/or the vendor is not registered in NJSTART, then the State Agency should send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.
