SECTION 1

INTRODUCTION AND GENERAL INFORMATION

1.1. **Introduction and Purpose.**

The Commission is organized and exists under and pursuant to N.J.S.A. 58:5-1 et seq., and is a public body politic and corporate formed by its member municipalities and authorized to acquire, develop and operate a water supply system for use by any municipality in the Counties of Sussex, Warren, Hunterdon, Passaic, Morris, Monmouth, Somerset, Bergen, Hudson, Essex, Union and Middlesex (the "District"). Pursuant to its enabling legislation, the Commission is authorized to finance, construct and place into operation, and operate and use facilities deemed necessary for and incidental to the treatment, filtration, transmission and distribution of potable water for the benefit of municipalities within the District. The Commission presently contracts with municipalities, regional municipal purveyors, and publicly and privately-owned utilities. It is operated on a non-profit basis and funded through the municipalities and utilities that are contract participants of the Commission.

Through its Wanaque North and South projects, the Commission provides potable water to numerous contracting municipalities. Additionally, the Wanaque South Project includes a joint venture between the Commission and Suez -New Jersey.

The Commission is soliciting Proposals, including Respondent's qualifications, to perform the Services, as more particularly described in Section 2, Scope of Services. Through the procurement process initiated by this RFP, firms interested in assisting the Commission with the provision of the Services must prepare and submit a Proposal in accordance with the procedures and schedule set forth in this RFP. The Commission will review Proposals only from those firms that submit a Proposal that includes all the information required to be included as described herein, in the sole judgment of the Commission. The Commission will select the Respondent which it determines is best qualified to provide the Electric Generation Supply Service, price and other factors considered.

1.2. **Procurement Process and Schedule.**

The Commission has structured a competitive process in order to ensure that each firm is provided an equal opportunity to submit a Proposal in response to the RFP. Proposals will be evaluated in accordance with the criteria set forth in Section 5 of this RFP, which will be applied in the same manner to each Proposal received.

The award of a contract to the Selected Respondent is subject to P.L. 2005, c. 51 (Chapter 51), codified at N.J.S.A. 19:44A-20.13 et seq., and Executive Order 117 (2008) (commonly known as pay to play limitations) and the New Jersey Election Law Enforcement Commission disclosure requirements set forth in P.L. 2005, C. 271, as amended, codified at N.J.S.A. 19:44A-20.26, and as more fully described in Section 1.8 of this RFP. Respondents, as part of this procurement process, and if selected must at all times, abide by all requirements of New Jersey law, and all relevant Executive Orders.

Proposals will be reviewed and evaluated by a Commission-established "Evaluation Committee" to determine if each Respondent has met the required professional and administrative requirements set forth in this RFP. Under no circumstances will a member of the Evaluation Committee review responses to an RFP for services for which a member or a member's firm submitted. Based upon the totality of the information contained in the Proposal, including information about the reputation and experience of each Respondent, the Commission will, in its sole judgment, determine which Respondents are qualified (from professional, administrative and financial standpoints). Each Respondent who meets the requirements of the RFP, in the sole judgment of the Commission, will be designated as a qualified respondent and from that pool of qualified respondents the Commission will choose the Selected Respondent.

The procurement process commences with the issuance of this RFP. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Commission reserves the right to amend, modify or alter the Procurement Schedule upon notice to all potential Respondents.

All Respondents shall be required to execute a Confidentiality & Non-Disclosure Agreement ("NDA") with the Commission for all information utilized and generated as part of this Contract. The NDA must be executed and returned to the Commission prior to the distribution of any and all documentation, drawings, models, etc., required for the preparation of a Proposal in response to this RFP. The NDA shall extend, if applicable, to the Respondent's subconsultants. **A sample NDA is attached hereto as Attachment #2**

All communications concerning this RFP or the RFP process shall be directed to the Commission's Designated Contact Person, Margaret Maddalena, Contract Administrator, in writing and e-mailed to mmaddalena@njdwsc.com. In order to maintain the integrity of the procurement process, it is requested that all communications concerning this RFP or the RFP process be made in writing.

1.8. Campaign Contributions and Expenditure Reporting.

In order to safeguard the integrity of the Commission's procurement

process, the Commission has imposed restrictions to insulate the award of contracts from political contributions that pose the risk of improper influence, purchase of access, or the appearance thereof. The terms and conditions set forth in this section are material terms of any contract resulting from this RFP.

a. Definitions. For the purposes of this section, the following shall be defined as follows:

(i) Contribution – means a contribution reportable by a recipient under “The New Jersey Campaign Contributions and Expenditures Reporting Act.” N.J.S.A. 19:44A-1 et seq., and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. Currently, contributions in excess of \$300 during a reporting period are deemed “reportable” under these laws.

(ii) Contractor – means any natural or legal person, business corporation, professional service corporation, Limited Liability Company, partnership, limited partnership, business trust, association or any other legal commercial entity organized under the laws of New Jersey or any other state or foreign jurisdiction. It also includes (a) all principals who own or control more than ten (10%) percent of the profits or assets of a Contractor or more than ten (10%) percent of the stock in the case of a Contractor that is a corporation for profit, as appropriate; (b) any subsidiaries directly or indirectly controlled by the Contractor; (c) any political organization organized under 26 U.S.C.A. 527 that is directly or indirectly controlled by the Contractor, other than a candidate committee, election fund, or political party committee; and (d) if a Contractor is a natural person, that person’s spouse or child, residing in the same household.

b. Breach of Contract.

It shall be a breach of the terms of any contract for the Contractor to (i) make or solicit a contribution in violation of the terms of this section, (ii) knowingly conceal or misrepresent a contribution given or received; (iii) make or solicit contributions through intermediaries for the purpose of concealing or misrepresenting the source of the contribution; (iv) make or solicit any contribution on the condition or with the agreement that it will be contributed to a campaign committee or any candidate for or holder of the public office of Governor, or to any State or county party committee; (v) engage or employ a lobbyist or consultant with the intent or understanding that such lobbyist or consultant would subject that entity to the restrictions of this section; (vi) fund contributions made by third parties, including consultants, attorneys, family members, and employees; (vii) engage in any exchange of contributions to circumvent the intent of this section; or (viii) directly or indirectly through or by any other person or means, do any act which would subject that entity to the restrictions of this section.

c. Certification and Disclosure Requirements.

(i) The Commission is prohibited from entering into a contract with any Contractor for services or any material, supplies or equipment, or to acquire, sell or lease any land or building, where the value of the transaction exceeds \$17,500, if that Contractor has solicited or made any contribution of money, or pledge of contribution, including in-kind contributions to a candidate committee and/or election fund of any candidate for or holder of the public office of Governor, or to any State or county political party committee: (1) within the eighteen (18) months immediately preceding the commencement of negotiations for the contract or agreement; (2) during the term of office of a Governor, in the case of contributions to a candidate committee or election fund of the holder of that office, or to any State or county political party committee of a political party nominating such Governor in the last gubernatorial election preceding the commencement of such term; or (3) within the eighteen (18) months immediately preceding the last day of the term of office of Governor, in which case such prohibition shall continue through the end of the next immediately following term of the office of Governor, in the case of contributions to a candidate committee or election fund of the holder of that office, or to any State or county political party committee of a political party nominating such Governor in the last gubernatorial election preceding the commencement of the latter term. Effective November 15, 2008, Executive Order No. 117 extends the above prohibition to contributions made to a candidate committee or election fund of any candidate for or holder of the office of Lieutenant Governor, and to contributions made to a legislative leadership committee or a municipal political party committee.

(ii) At the time of the submission of its Proposal, a Contractor shall report all contributions the Contractor made during the preceding four (4) years to any political organization organized under 26 U.S.C. 527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the meaning of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7. The required forms and instructions are included in this RFP package and must be returned with a Contractor's Proposal fully complete. **Failure to submit the fully completed Certification and Disclosure(s) Forms (See Attachment #1) with a Proposal may result in the rejection of the Proposal, as well as preclude future contract opportunities in the sole judgment of the Commission**

(iii) Further, the Contractor is required, on a continuing basis, to report any contributions it makes during the term of the Contract, and any extension(s) thereof, at the time any such contribution is made. The required form and instructions are available for review on the Purchase Bureau website at <http://www.state.nj.us/treasury/purchase/forms.shtml> and shall be provided to the intended awardee with the Notice of Intent to Award.

d. Disclosure Review.

The Commission shall ensure that the disclosures submitted pursuant to this section, as well as any other pertinent information concerning the contributions or reports thereof by the intended awardee, prior to award, or during the term of the Contract, by the Contractor are reviewed by the appropriate authorities. If it is determined that any contribution or action by the Contractor constitutes a breach of contract that poses a conflict of interest in the awarding of the contract under this solicitation, the Commission shall disqualify the Contractor from award of such contract.

1.9. Requirements of Executive Order #37.

On September 25, 2006, Governor Corzine signed Executive Order #37, which sets forth a series of reforms concerning the State's independent authorities. This RFP process shall at all times comply with the provisions of E.O. #37 requiring a "fair and transparent process." The Commission has established a scoring process and an Evaluation Committee pursuant to EO #37 and will be using both when determining which firm(s) to award a contract to. The factors that the Commission will use as part of this scoring process may include, but are not limited to, the following:

- f. The firm's capacity to meet the requirements of the project at issue;
- g. The firm's references;
- h. The rate or price to be charged by the firm;
- i. Interviews with prospective firms; and
- j. Geographical location of the firm's offices.

Respondents are directed to Section 5 of this RFP for a complete description of the criteria to be utilized by the Commission in reviewing and evaluating each Proposal.

Section 2 of the RFP describes the Scope of Services to be performed by the Selected Respondent during the term of the Contract. As part of the criteria that the Evaluation Committee and the Commission will use to assess the Proposals submitted in response to the RFP, Respondents are required to demonstrate their qualifications and experience in providing these services, and to describe their experience in performing these services under similar contracts.

Should an oral presentation be requested by the Commission, it will be an opportunity for the Respondent to introduce its staff to the Commission, and to present supplementary information regarding its Proposal and credentials, as related to the specific needs of the Commission. The Respondent may use materials during this oral presentation; provided, however, that the presentation will be restricted to a maximum time period specified by the Commission, including the time allotted for a question and answer period. Information relating to the Respondent's recent experience on similar assignments, approach to the work and the use of innovative and/or cost effective measures should be included in the oral presentation.

INFORMATION AND INSTRUCTIONS

For Completing the “Two-Year Vendor Certification and Disclosure of Political Contributions” Chapter 51 Form

Background Information

On September 22, 2004, then-Governor James E. McGreevey issued E.O. 134, the purpose of which was to insulate the negotiation and award of State contracts from political contributions that posed a risk of improper influence, purchase of access or the appearance thereof. To this end, E.O. 134 prohibited State departments, agencies and authorities from entering into contracts exceeding \$17,500 with individuals or entities that made certain political contributions. E.O. 134 was superseded by Public Law 2005, c. 51, signed into law on March 22, 2005 (“Chapter 51”).

On September 24, 2008, Governor Jon S. Corzine issued E.O. 117 which is designed to enhance New Jersey’s efforts to protect the integrity of procurement decisions and increase the public’s confidence in government. The Executive Order builds upon the provisions of Chapter 51.

Two-Year Certification Process

Upon approval by the State Chapter 51 Review Unit, the Certification and Disclosure of Political Contributions form is valid for a two (2) year period. Thus, if a vendor receives approval on January 1, 2014, the certification expiration date would be December 31, 2015. Any change in the vendor’s ownership status and/or political contributions during the two-year period will require the submission of new Chapter 51/Executive Order 117 forms to the State Review Unit. **Please note that it is the vendor’s responsibility to file new forms with the State should these changes occur.**

State Agency Instructions: Prior to the awarding of a contract, the State Agency should first use NJSTART (<https://www.njstart.gov/bsol/>) to check the status of a vendor’s Chapter 51 certification before contacting the Review Unit’s mailbox at CD134@treas.nj.gov. If the State Agency does not find any Chapter 51 Certification information in NJSTART and/or the vendor is not registered in NJSTART, then the State Agency should send an e-mail to CD134@treas.nj.gov to verify the certification status of the vendor. If the response is that the vendor is NOT within an approved two-year period, then forms must be obtained from the vendor and forwarded for review. If the response is that the vendor is within an approved two-year period, then the response so stating should be placed with the bid/contract documentation for the subject project.

15. This Agreement shall not be interpreted in a manner that would violate any applicable canons of ethics or codes of professional responsibility. Nothing in this Agreement shall prohibit or interfere with the ability of counsel for any party to represent any individual, corporation, or other entity adverse to any party or its affiliate(s) in connection with any other matters.
16. Each of the parties acknowledges and agrees that remedies at law may be inadequate to protect the Commission against any actual or threatened breach of this Agreement by the Receiving Party or its representatives, and, without prejudice to any other rights and remedies otherwise available to the Commission (including, without limitation, monetary damages), the Receiving Party agrees to the granting of specific performance and injunctive or other equitable relief in the Commission's favor without proof of actual damages and each of the parties further agrees to waive, and to use all reasonable efforts to cause its representatives to waive, any requirement for the securing or posting of any bond in connection with any such remedy. Nothing in this Agreement shall be deemed or construed to limit or prevent the Commission from bringing a claim for damages as a result of any actual or threatened breach of this Agreement by the Receiving Party or its representatives.
17. Each of the parties agrees that no failure or delay by the Commission in exercising any right or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise thereof preclude any other or further exercise of any right or remedy hereunder.

18. This Agreement was entered into solely to benefit the parties and no other person or entity shall have enforceable rights and remedies hereunder or hereby.
19. This Agreement may be executed in one or more counterparts (including via facsimile), each of which shall be deemed an original but all of which together shall constitute one in the same instrument.
20. This Agreement sets forth the entire understanding between the parties concerning the subject matters of the foregoing recitals and paragraphs.
