### AQUATIC PESTICIDE GENERAL PERMIT

05/20/2019

For Aquatic Site

ID: 00667

Name: WANAQUE RESERVOIR

DEP Activity ID: APP190001

Permit Effective Date: 05/20/2019 Permit Expiration Date: 12/31/2020

The New Jersey Department of Environmental Protection hereby grants you a NJ Aquatic Pesticide Permit (NJAPP) for the site named above. This permit is the regulatory mechanism used by the Department to help ensure your application will not harm the environment. By complying with the terms and conditions specified, you are assuming an important role in protecting New Jersey's valuable water resources. Your acceptance of this permit is an agreement to conform with all of its provisions when applying aquatic pesticides to waters of the state, both public and private. If you have any questions about this document, please feel free to contact the Department's Aquatic Pesticide Permit representative. Your cooperation in helping us protect and safeguard our state's environment is appreciated.

#### Requirements Incorporated by Reference

The permittee shall comply with all conditions set forth in this permit and with all of the applicable requirements incorporated into this permit by reference. The permittee is required to comply with the regulations, including those cited below:

#### General Conditions

1. Penalties for Violations - N.J.A.C. 7:30-1-13 (found at [www.pcpnj.org](http://www.pcpnj.org))
2. Incorporated by Reference:
  - Appendix A: Aquatic Pesticide Permit Conditions
  - Appendix B: Aquatic Pesticide Permit Restrictions
  - Appendix C: Aquatic Pesticide Record of Actual Treatment (BPO-03)

### GENERAL REQUIREMENTS FOR AQUATIC PESTICIDE PERMIT

#### 1. PURPOSE AND SCOPE

This permit operates under the premise that appropriate Best Management Practices (BMPs) are implemented prior to any aquatic pesticide application. If the application causes adverse environmental impacts to the site and or receiving waters, the application is in violation of this permit. The entity authorizing the activity and certifying compliance with the requirements of this general permit would then be subject to enforcement action. A representative from the Department's Bureaus of Pesticide Compliance and Pesticide Operations will be contacted if it is suspected that an application was not conducted in accordance with all requirements of this permit.

The certifying agent will be responsible for ensuring that the applications meet all of the applicable requirements of this general permit during the entire application.

## **CONDITIONS FOR APPROVAL UNDER THE NJAPP GENERAL PERMIT FOR AQUATIC PESTICIDE APPLICATIONS**

### **Certification Requirements**

A completed certified APP application form shall be submitted to the Department via DEP Online Aquatic Pesticide Permit service.

The permittee shall maintain records of application on a form provided by the Department, which is the RECORD OF ACTUAL TREATMENT (BPO -04).

This permit does not waive the requirement to obtain any other necessary Federal, State or Local government consents or approvals. No work shall be undertaken until such time as all other required approvals and permits have been obtained. As the responsible applicator for the permit, you are responsible for identifying and contacting any and all other agencies, including NJDEP that may need to be involved with or have interest in the aquatic site(s) you are proposing to treat:

NJDEP Fish and Wildlife (908-236-2118)  
NJDEP Land Use Regulation (609-292-0060)  
Lake Hopatcong Commission (973-601-1070)

Representatives of the Department shall have the right to enter and inspect any area associated with an aquatic pesticide permit approval.

The permittee shall take into account the outlet structure prior to application and shall ensure discharge downstream into the receiving water body is limited to none.

By using this permit, the authorized responsible pesticide applicator acknowledges the following:

"I certify under penalty of law that this Aquatic Pesticide Permit form and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for purposely, knowingly, recklessly, or negligently submitting false information."
