NOTICE TO PROSPECTIVE BIDDERS

SENT VIA – E-MAIL

DATE: March 13, 2020
TO: ALL PROSPECTIVE BIDDERS
FROM: Margaret Maddalena, Contract Administrator
RE: **CONTRACT #2054R FILTER BUILDING VENTILATION PROJECT**

Please be advised that the **NORTH JERSEY DISTRICT WATER SUPPLY COMMISSION** (“Commission”) has opted to reject all bids at this time and withdraw Contract #2054R, due to the fact that the complying bid(s) received on March 5, 2020 substantially exceed the Commission engineers cost estimate for the project.

In addition, certain bids did not acknowledge Clarification to Questions No. 1 issued on February 19, 2020, contained in Contract #2054R on page (I-26), which according to the bid documents, is deemed a material and non-waivable defect, and shall cause rejection of the bid without further consideration.

The Commission will advise all bidders if they plan to re-bid this project at a future date.
